

Lead-Free Commercial Sillcocks 25LF - 35LF Series

Lead-Free Commercial Sillcocks

Features & Benefits

- Heavy-duty lead-free brass construction. NSF/ANSI 372 certified Lead Free by IAPMO.
- Utilizes Arrowhead's exclusive no-leak one-piece bonnet with EPDM O-ring seal or maintenance-free, easy operation with years of service.
- Integrated brass flange with enclosed screw holes to securely fasten the sillcock to the wall or wall box.
- Includes ASSE 1011 anti-siphon vacuum breaker, tamper-resistant lock-shield bonnet with green wheel handle.
- For loose key operation to prevent unwanted water use, simply remove the green handle and use the included removable loose key to operate.
- Available in 1/2" (**25LF**) and 3/4" (**35LF**) female iron pipe thread, and in rough brass, nickel-plated (**P**) or polished chrome (**C**) finishes.
- Maximum pressure: 125 PSI. Max temperature: 140° F
- Flow rate: 5-6 GPM at 50 PSI.
- 3-year limited warranty.
- ASSE 1011 certified.
- Also Available in 1/2" or 3/4" Copper Sweat connections (**25SWLF / 35SWLF**)
