

## 300 RS Brass Manual Angle Valves with Union

### 300RS Series Brass Manual Angle Valve with Union

#### Features & Benefits

- Brass Angle Isolation Valve With Union.
- Heavy Duty Brass Construction.
- 1-piece "RS" Rising Swivel Stem.
- Effectively Regulate Water Supply.
- Full-Size Waterways for Low Pressure Loss.
- Converts to automatic operation with automatic actuator.
- 3-Year Limited Warranty.
- Optimal Flow Range: 5-180 GPM.
- Rated to 150 PSI Maximum Working Pressure.
- Optimal Operating Pressure: 30 - 90 PSI.
