

## Cold Expansion PEX Supply Stops

Arrowhead Brass angle supply stops are made of lead-free dezincification resistant brass and are available in a variety of connection types. The Cold Expansion PEX Supply Stop Valves, with 3/8-inch or 1/4-inch compression outlets, feature a polished chrome finish and QuickTurn® operation. Arrowhead Brass Supply Stops are certified to NSF/ANSI 61 and cUPC listed by IAMPO.

Models

**AS50U25C** Angle Supply Stop, 1/2" Cold Exp. PEX (ASTM F1960) x 1/4" OD Compression
