

## PEX Supply Stops

Arrowhead Brass & Plumbing angle and straight supply stops are made of lead-free dezincification resistant brass and are available in a variety of connection types. The PEX Supply Stop Valves, with 3/8-inch or 1/4-inch compression outlets, feature a polished chrome finish and QuickTurn® operation. Champion Plumbing Supply Stops are certified to NSF/ANSI 61 and cUPC listed by IAMPO.

### Features and Specifications

- Forged lead-free brass construction, chrome plated body. NSF/ANSI 61 certified by IAPMO.
- Angle and straight models with 1/2-inch crimp style PEX (ASTM F1807) inlet connections.
- QuickTurn® 1/4 ball-valve operation.
- 3-year limited warranty.
